

## THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to any good, had no appetite, and everyone thought I would not live."

Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be read and answered by a woman and held in strict confidence.

DAVID HALE FANNING.

Sends Gift of \$1,000 For Windham Hall, For Connecticut Woman's College.

The munificent gift of \$1,000 by David Hale Fanning of Worcester, formerly of Jewett City, was received here Saturday morning by Mrs. Riezel Robinson toward the fund that is being created for the erection of Windham hall, one of the proposed group of buildings at the Connecticut College for Women at New London.

Some months since Mr. Fanning had the proposal of building Windham hall called to his attention and discussed it with interest, and at the time promised to do something to help it forward forming a new fund for the fund. The work of creating it has lagged somewhat during the winter months, but now, on account of conditions created by the war, in lesser degree, for other reasons.

That Mr. Fanning does not forget, however, was amply illustrated by his great generosity when Mrs. Robinson opened her mail Saturday morning. There seems little doubt that the fine gift from Mr. Fanning will produce the impetus necessary to quickly swell the fund to proportions that will speedily insure the construction of Windham hall and may prove an incentive for others of means and interested in the grand old county and its history of liberally supporting education.

With gifts that will stir enthusiasm and gratitude, as Mr. Fanning's has done.

Died Before Gift Was Presented.

The death of former Postmaster Frank G. Letters is a tragedy to his successor, Postmaster Alexander Chalmers, and the members of the postoffice force, with whom Mr. Letters was associated for so long a time. Postmaster Chalmers received word of the death from Mr. Letters in masterful details at the office during the past month and found him ever willing to help in every possible way. He is shocked over Mr. Letters' unexpected death. This is also true of the postoffice force, the members of which had recently contributed to a fund that was to be used for the purchase of a splendid gift for their former chief.
